

Reach Out

Engelbert Humperdinck

These are the children
Innocent children of the universe
We need to hear them
For their lives have just begun

These are the children
Beautiful children [?] nothing I
Stop them from crying
Turn tears into rivers of love

So reach out and tell the world about it
Reach out, don't whisper, we must shout it
Reach out, together we could spread the word salvation, salvation
Reach out and tell the world about it
Reach out, don't whisper, we must shout it
Reach out, we've gotta make a miracle come true, yes we do now

These are the children
Their story is not just make-believe
We need to help them
For their lives have just begun

These are the children
Give them the freedom to play anywhere
Have only children
So reach out and touch them with love

So reach out and tell the world about it
Reach out, don't whisper, we must shout it
Reach out, together we could spread the word salvation, salvation
Reach out and tell the world about it
Reach out, don't whisper, we must shout it
Reach out, we've gotta make a miracle come true

Your heart were an answer
Don't wait too long
Cause life is too precious
Waiting and wanting to bring 'em back, bring 'em home

Reach out and tell the world about it
Reach out, don't whisper, we must shout it
Reach out, together we could spread the word salvation, salvation
Reach out and tell the world about it
Reach out, don't whisper, we must shout it
Reach out, we've gotta make a miracle come true

So reach out
Reach out
Reach out
Reach out
Reach out
Reach out
Reach out
Reach out
