

We'll Meet Again

Engelbert Humperdinck

We'll meet again
Don't know where, don't know when
But I know we'll meet again some sunny day
Keep smiling through
Just like you used to do
Till the blue skies chase those dark clouds far away

So won't you please say hello
To the folks that I know
Tell them I won't be long
They'll be happy to know
As you saw me go
I was singing this song

We'll meet again
Don't know where, don't know when
But I know we'll meet again some sunny day

So won't you please say hello
To the folks that I know
Tell them I won't be long
They'll be happy to know
As you saw me go
I was singing this song
Singing this song

We'll meet again
Don't know where, and I don't know when
But I know we'll meet again some sunny day
Yes I know we'll meet again
I don't know where, and I don't know when
I said I know we're gonna meet again some day

Well you better reach your hand
Get your feet back on the track
Tell everyone in town that Humperdinck is back
I said I know we're gonna meet again some day
