

Wonderland By Night

Engelbert Humperdinck

Stars hang suspended
Above a floating yellow moon
Two hearts were blended
While angels sang a lover's tune

And so we kissed
Not knowing if our hearts could pay the price
But heaven welcomed us to paradise
Blessing our love

Then came the sunrise
Fading the moon and stars from sight
Recalling always
Our wonderland by night

Stars hang suspended
Above a floating yellow moon
Two hearts were blended
While angels sang a lover's tune

And so we kissed
Not knowing if our hearts could pay the price
But heaven welcomed us to paradise
Blessing our love

Then came the sunrise
Fading the moon and stars from sight
Recalling always
Our wonderland by night
