Wrap Your Arms Around Me

Engelbert Humperdinck

Wrap your arms around me
When you're so far away,
At the end of each day
Counting the moments
'Till you fade away.
Inside my soul,
Under passion's control,
Are feelings I can't find
The words to explain
Just like the first time
I'm helpless again.

Wrap your arms around me
Let your love surround me
Make love to me now like never before.
Wrap your arms around me
From the day you found me
You'll never be alone.

The nights are so cold,
With just your memory to hold
I've tried to be strong,
Reaching out holding on.
Alone in my bed,
I cling to each word you said,
Wanting you more everyday we're apart
And each precious moment
Is safe in my heart.

Wrap your arms around me
Let your love surround me
Make love to me now like never before.
Wrap your arms around me
From the day you found me
You'll never be alone.

Take me in your arms
Hold me
You are the one,
Only you I want to be with you
We belong together
We were so close
The nights are so cold
Want to be with you
Miss you anyway
I want to be with you
Hold me, love me, love me
Just like the first time
I'm helpless again

Wrap your arms around me
Let your love surround me
Make love to me now like never before.
Wrap your arms around me
From the day you found me
You'll never be alone.

Wrap your arms around me And you'll never be alone Wrap your arms around me You'll never be alone No, you'll never be alone.
