Caveman Brain

English Dogs

You try to fight what you don't understand You laugh at us 'cos we're a punk rock band Just the same when you were at school You did all your homework and you never broke a rule So when you left school you had it sussed You married a girl with a forty-two bust Just eighteen and your wife's dropped a sprog You're happy with a mortgage and a steady job What happened to the kid and the big titted wife When you lost your job they walked out your life

Caveman Brain Here we go again Caveman Brain You're a sucker to yourself You're a sucker to me A sucker, sucker, sucker to all society
