

Do U C?

English Dogs

I'm a motherfucker with a monkey as a brother
And I love a line of billy
Do you see?

Living in a little bus, driven on trust
Pretty lady with a bust
Do you see?

Her father hates me every day from '81 to present day
Just wouldn't dig my garb
Do you see?

Dug himself a mighty hole
A grave with no-one saved

Do you see? Do you see?
You ain't blind, you ain't stupid
Course you fucking see!

Bible bashing daddy's mad
He caught his daughter with a man
Fed her salt and bleach
Do you see?

At the grave with no remorse
Holds aloft his holy cross
What would Jesus do?
Do you see?

Lovers lying decomposed
Defiant image on a shirt
Hooker and a junkie
Do you see?

Cos Nancy got a Sidney shank
Nothing left to crank

Do you see? Do you see?
You ain't blind, you ain't stupid
Course you fucking see!

Hapless drunk who beats his wife
She cries herself to sleep at night
They pray to Jesus Christ
Do you see?

Star the hearse, parade the dead
Victim of his swollen head
One hovel born and bred
Do you see?

Hooter made a call to Jason
Tried to fuck our gigs in Melbourne
Why would he do that?
Do you see?

Cos Sal was all but in a hearse

He lent a tenner from his purse
I forgot to re-imburse
Do you see?

Do you see?
You ain't blind, you ain't stupid
Course you fucking see!
