

## Fun Door Enlightening

English Dogs

Whenever I'm feeling sad and blue,  
There's only one thing for me to do.  
To put the smile back on my face  
Go through the fundoor and into space.

Like a clown with a painted smile  
Ha - Ha - Happy all the while.  
You can see what a fundoor can do.

If you stop and consider a bit  
There's a fundoor inside your mind:  
Seek it out and you will see,  
What a good thing a fundoor can be.

Like a clown with a painted smile  
Ha - Ha - Happy all the while.  
You can see what a fundoor can do.

Come on and smile with me.  
And seek a grin will set you free.

Like a clown with a painted smile  
Ha - Ha - Happy all the while.  
You can see what a fundoor can do.

Break with tradition and open up.  
No - one likes a sorry fool.  
Use your mind to change it round.  
Come on be wise and crack a grin.

Like a clown with a painted smile  
Ha - Ha - Happy all the while.  
You can see what a fundoor can do.

Come on and smile with me.  
And seek a grin will set you free.

Like a clown with a painted smile  
Ha - Ha - Happy all the while.  
You can see what a fundoor can do.

Like a clown with a painted smile  
Ha - Ha - Happy all the while.
