English Dogs

Grass (yeah) who is the grass , who is the
Grass (yeah) who is the grass , who is the

No I don't trust No I don't trust in no one
Who want's too much Who want's too much information

Grass (yeah)
They ask too much ,they ask too much , too many questions
Grass (yeah)
Bootlicker scum , bootlicker scum kissing the system

A fly on the wall , another parasite
Judas , deceiver get out of my sight
Wire tapper , eaves dropper that I don't like
And I could always grass on you

Grass (yeah)
There's nothing breaks there's nothing breaks my devotion
Grass (yeah)
Informer hate , informer hate generation

A fly on the wall , another parasite
Judas , deceiver get out of my sight
Wire tapper , eaves dropper that I don't like
And I could always grass on you

This nation is fucked when everywhere around
Are traitors arse kissers who want to bring you down
A pit of tales of gossip in they revel
They shoot , when you rise , to bring you to their level

Grass (yeah) who is the grass , who is the
