

# Pater Betrayal

English Dogs

Pater betrayal!

Your control  
Scarred for life  
Never trust again  
Pompous rule  
Obedient tool  
Blinded influenced fool  
Manipulate  
The family state  
Pull the bricks from bellow  
Perverse consumed  
Sick little itch  
Scratch it till it bleeds

You're a part of me  
Never wanted it  
You're a part of me  
I wanna cut ya!

Door handle  
Paranoia  
Whiskey and ashtrays  
Your death  
Far too slow  
Prayed for every day  
Nighty night  
Wrap up tight  
Nocturnal obtruder  
Fight or flight  
Whats wrong or right  
Broken not beaten

You're a part of me  
Never wanted it  
You're a part of me  
...Pater betrayal!

More alcohol  
That's the trigger  
Hide will ride again  
Resist  
Pay the price  
With violence  
Down the line  
Prayers answered by my god  
With a fatal R.T.A.  
Finale  
Your curtain call  
But I'm still here today

You're a part of me  
Never wanted it  
You're a part of me  
Pater betrayal!
