

Shoot Your Head Off

English Dogs

Bad breath and glasses , well rehearsed smile
checking , enquiring , chasing me up
You've always got me on file

You looked down as I , gave you truth , gave my time
Feeding your good name , watch your reputation climb

I thought you was my friend (but) you're just the same as them
Sit in a miserable stagnant pit ,
Repeating ...repeating

Now put your head between your legs and kiss your arse goodbye
Put your head between your legs
And shoot your own head off!

Bad breath and glasses , well rehearsed smile
checking , enquiring , chasing me up
You've always got me on file

I asked for help and the door slammed in my eyes
Bureaucracy disconnected any ties

I thought you was my friend (but) you're just the same as them
Sit in a miserable stagnant pit ,
Repeating ...repeating

Now put your head between your legs and kiss your arse goodbye
Put your head between your legs
And shoot your own head off!
