It's you and me in this world
Again come to me tie me
If you are going to save me
Just come kiss me and bite me (Oh, babe)

Memory in my veins
My cells in search of you scream
Now I know what I had to be
Fate discovered us once again
Got me bad, bad, bad torturin' me
Dreams wander looking for somethin'
It comes to me when you next to me
My name that was briefly forgotten

(Oh, my, oh, my God)
This blood's pumpin' crazy
(Oh, my, oh, my God)
'Cause I know you'll save me

Come here and get some (Some)
Leave the mark on my neck
That it's yours
Just come over and bite me
Come here and get some (Some)
Sidekick that worships you
That's my destiny
Just come over and bite me

It's you and me in this world
Again, come to me, tie me
If you are going to save me
Just come kiss me and bite me (Oh, babe)
It's you and me in this world
In this darkness, light me (Woo-ooh)
If you'll give me a chance
Just come kiss me and bite me, yeah-eh-eh

I dedicate to you
The brave heart that'll protect you
My foolish arrogance, I tossed away in the past
Come to me, make it right
Please connect me again
Devour me

(Oh, my, oh, my God)
This blood's pumpin' crazy
(Oh, my, oh, my God)
'Cause I know you'll save me

Come here and get some (Some)
Leave the mark on my neck
That it's yours
Just come over and bite me
Come here and get some (Some)
Sidekick that worships you
That's my destiny
Just come over and bite me

It's you and me in this world
Again, come to me, tie me
