Now wait a minute, wait a minute  
Give, give me your love to me  
Now wait a minute, wait a minute  
Give, give me your love to me

Immortality I love  
The more I see you, the more I feel it  
What is my mortality? Destiny, mm-mm  
The breath that made me live  
The basis of my existence  
I will praise you forever

Every time I see you like that  
I shed ecstatic tears  
Blinding lights (Blinding lights)  
Blinding lights, ooh (Blinding lights)

With those painful eyes open  
I'm looking at you like I'm fascinated  
The more I love you  
I become more greedy

Guided by the light called you  
Two eyes like this  
Two eyes like this

In blurred vision  
Both hands towards you  
A dazzling fate

Now, wait a minute, wait a minute  
Give, give me your love to me

Now, wait a minute, wait a minute  
Give, give me your love to me

Surroundings become blurred  
Only you are clear  
The pain proves you  
Oh, I don't hate it  
In the darkness without you  
I'll fall in love

Every step towards you I burn with pain  
Burn my life (Burn my life)  
Burn my life, ooh (Burn my life)

I can't even resist  
To the desire that drives me  
Even if it hurts, I want to hold on to it  
Forever by my side

Guided by the light called you  
Two eyes like this  
Two eyes like this

In blurred vision  
Both hands towards you  
A dazzling fate (One more, baby, now)

Even if it's a blind country like this  
Will you love me forever?  
Oh, my love, love, love (Oh, my love, love, love)

Even if my eyes are blind, my eyes look for you  
Even if my whole body burns, I walk towards you  
My sun you are so far away  
If I become ashes  
Please keep them by your side

Guided by the light called you  
Like this, my eyes are  
Like this, my eyes are

In my blurred vision  
Both hands towards you  
Dazzling destiny

Now, wait a minute, wait a minute  
Give, give me your love to me  
Now, wait a minute, wait a minute  
Give, give me your love to me
