Beautiful and brilliant
My glittering vision is a diamond
In a world with no rules
Everything's been turned upside down

Turning up the party, now
My feet up in the sky, wow
People going ha ha, high
Ringing in my ears is la la, loud
It's blinding, baby
His light, shining
We're in love with this carnival

Honestly, I'm scared
The world's drunk in a swirling glass
At the edge is my burning heart
But I just wanna stay

I feel it, my head's in a daze, daze, daze
I'm addicted, I replay, play, play
The way you want it
Go as far as you can to reach it
Trapped in the carnival wow, wow
My heart's again in a daze, daze, daze
Can't control my body dance, dance, dance
This sweet scent
Fangs glowing red
Revel in it, this carnival wow, wow

Mmm, call me out from across the line
Everything changes, everything crumbles
I reach past the locked door
Pain welcomes me, a feast of thirst

Honestly, I'm scared
My reflection in the mirror is unfamiliar
The pitiful truth behind this mask
But I never escape

I feel it, my head's in a daze, daze, daze
I'm addicted, I replay, play, play
The way you want it
Go as far as you can to reach it
Trapped in the carnival wow, wow
My heart's again in a daze, daze, daze
Can't control my body dance, dance, dance
This sweet scent
Fangs glowing red
Revel in it, this carnival wow, wow

Light that's been given to me
Flames of a torch, Ah
'Till I own it, Imma ride

I feel it, my head's in a daze, daze, daze
I'm addicted, I replay, play, play
The way you want it
Go as far as you can to reach it
Trapped in the carnival wow, wow
My heart's again in a daze, daze, daze
Can't control my body dance, dance, dance
This sweet scent
Fangs glowing red
Revel in it, this carnival wow, wow

I wake myself up
Burn my heart
Fill my dreams
I wake myself up
Burn my heart
Fill my dreams
