Fatal trouble

Oh
Yeah, yeah

Can't believe, you in front of me (you in front of me)
Everything is the same
I'm smiling like I don't know (Yeah, yeah)
Abyss-like eyes (pupils)
Even if I look for you beyond
It's unfamiliar, who are you?
Who are you that I love

Downfall in chaos
I'm dizzy baby
Do I know you?
Has something changed?
Please answer me
Am I wrong?

Fatal trouble
It's getting blurry
Your memory
It's falling apart
Fatal trouble
My feelings for you too
A long-standing belief
It's all coming undone

I don't know you (I don't know you)
I'm falling apart (I'm falling apart)
I'm wandering (I'm wandering)
Let me protect you
Fatal trouble
Same memory
Another story
Shake me up
Fatal trouble

Ah, I barely managed to save it
I don't want to lose you
Anxiety looms over me
Like the increasingly thin moon
It's blurred and I'm not sure
I don't know what to do

Don't mind confusion
Sense of concentration
Obviously you are the one
So now, leave everything behind
My heart is racing
I walk down the street

Fatal trouble (Oh)
It's getting blurry
Your memory
It's falling apart (it's falling apart)
Fatal trouble
My heart towards you (my heart)
Old faith (Ooh)
It's all coming undone

I know, I know you (I know, I know you)
Now tell me (tell me)
No (No)
Nothing has changed
Fatal trouble
One soul
Trust my answer
It's not wrong
Fatal trouble
