Ooh, ooh-ooh-ooh, ooh
Ooh, ooh-ooh-ooh, ooh

Absolute power
I ran toward that power
Even if the sun blinds you
To reach the promised place
To complete our future
Above all to protect you
You believed in me and gave me strength
The moment you bit me
You are inside me
But
As the seasons crumble, the green
Love became greed and erased itself
Erase even your selfishness
They trapped me in ruins like the deep sea
Oblivion
Where did that terrible curse come from?
Who inflicted this cruel punishment?
Now I realized
The fate that I devoted my life to
How could I forget?

The sign only responds to you and shines red
The one word I begged you for
It rises like a bright sun that clears the darkness
Fate is in my hands again
Feeling the power flowing like blood inside me
Finally, I'm calling you desperately
I'll never forget it now
Everything was the power I received from you
I grew up in an eternity that will soon return to you

A love wrapped in blood
Erased by arrogance, it's over
I lost everything
Become an undead monster
But now
I know what I have to do (I know)
Follow the blood testament

Fate, fate, fate (Ooh-ooh-ooh-ooh)
I won't hesitate
Fate, fate, fate (Ooh-ooh-ooh-ooh)
Go like this
Fate, fate, fate (Ooh-ooh-ooh-ooh)
It's my fate
Follow this blood sign, at the end of the road
To dedicate myself to you

Ooh, ooh-ooh-ooh, ooh
Ooh, ooh-ooh-ooh, ooh
