Fall (Everything)  
Fall (Everything)  
Fall (Everything)  
It's dissolving  
Fall (Everything)  
Fall (Everything)  
Fall (Everything)  
It's all falling

My life's ruined all because of you  
I'm so done with it, I don't want you anymore  
I just can't do it, I don't give a shit  
So please, your excuse won't even work  
You can't do this to me  
Everything you said, it's just to cover your fault  
Just cover up the truth and rip me off  
You spear me, make me go nuts, I hate it all  
Take it all back with you, I hate you so bad

But you're my everything (You're my)  
Everything (You're my)  
Everything (You're my)  
Please get out of my life, huh

I'm sorry (I hate you)  
I love you (I hate you)  
Forgive me

I need you, girl  
Why do I love you and try so hard to forget you when you don't even care?  
I need you, girl  
Why do I need you when I know it hurts me?

I need you, girl (You are beautiful)  
I need you, girl (You are so cold)  
I need you, girl (I need you, girl)  
I need you, girl  
I need you, girl, hey

It goes round and round, why do I keep coming back?  
I go down and down, it feels like I'm a fool  
Nothing can help me  
It's my heart, my mind and my soul, but it doesn't listen to me  
Oh well, I'm talking to myself again (Talking to myself again)  
I'm talking to myself again (Talking to myself again)  
But you don't say anything, oh please, I'll do my best  
The sky is blue again (It's blue again)

Maybe it's because the sky is blue, and the sun shiny  
My tears stick out  
Why am I so into you? Why you?  
Why can't I leave you?

I need you, girl  
Why do I love you and try so hard to forget you when you don't even care?  
I need you, girl  
Why do I need you when I know it hurts me?

I need you, girl (You are beautiful)  
I need you, girl (You are so cold)  
I need you, girl (I need you, girl)  
I need you, girl  
I need you, girl, hey

Girl, just, just say you want to break up with me  
Girl, say that it wasn't love, love, oh  
I don't have the courage to say those  
So please give me the one last present  
So that I don't go back anymore, oh-oh

I need you, girl (Oh)  
Why do I love you (Oh, baby) and try so hard to forget you when you don't even care?  
I need you, girl (Why)  
Why do I need you when I know it hurts me?
