Yeah, drivin' hard, I'm tired with that question mark
Pretty boy? No, I'm not, sound the red alert
My instincts opened my eyes like Dracula
Never tamed, white fang is going even crazier
Was a pretty boy, but it's getting ugly
The sound of my desire hits me like it's going to break my head
Instead of vain integrity, I wanted to have you
Angels and devils stay up all night, I need melatonin
My bloodshot eyes, twisted lips
The truths reflected beyond the mirror, alter ego's smiling
(Watch me, watch me) My heart shouts
This night, when the red moon rises, my veil is taken off

Like an X-game, you drive me
Running the adrenaline through my veins
Overflowing desire takes you
Beyond the boundaries of my reason

We be outside, ah-ah-ah, ah-ah, ah-ah, ah
Ah, ah-ah-ah, ah-ah, ah-ah, ah
Cross the line and ride, ah-ah-ah, ah-ah, ah
Ah, ah-ah-ah, ah-ah, ah-ah, ah

There is sweetness in the fairytale, The dream world I built with you
Oaths and promises, wait, when the night comes
Untie my leash, take off my mask
This world flips, turned into a bad love, damn
The will to protect you

It doesn't matter anymore
An irreversible journey
I take you to my world

Like an X-game, you drive me
Running the adrenaline through my veins
Ugly overflowing desires take you
Beyond the boundaries of my reason (Skrtrt)
