Should I be tamed
Flash of desire enchanting me
Dreams beautiful and grotesque
Keep changing shape
Oh, twisted and tangled
Dilemma of choice within dimensions
Taking a step makes me afraid
I hate to be or not

Like hot summer (Na, na, na)
Just dash (Na, na, na)
If flames trap you, abandon you
Can't see the answer right now

Searing heart take me now
Burning thirst I can't stop me like
Summer (Na, na, na)
Just dash (Na, na, na)
Scorching sun show me the way
My compass please don't leave me now
Summer (Na, na, na)
Just dash (Na, na, na)

Oh-oh-oh, oh-oh-oh, oh-oh-oh
Oh-oh-oh, oh-oh
Even if it's not the answer
Oh-oh-oh, oh-oh
Even if it's not the answer

Oh, must I stop
I'm addicted to this hazy dream
Oh, days gone by
I can't see the familiar me

Like hot summer (Na, na, na)
Just dash (Na, na, na)
Even if I run even if I stop
Can't see what'll happen right now

Searing heart take me now
Burning thirst I can't stop me like

Summer (Na, na, na)
Just dash (Na, na, na)
Scorching sun show me the way
My compass please don't leave me now
Summer (Na, na, na)
Just dash (Na, na, na)

Exhausting agonizing thoughts
Between the horns
So keep it going, keep it going on right now
Just keep it running, keep it running up right now
You're trapped by the same choices
You're frozen not knowing what to do
Then take my hand and run

Searing heart take me now
Burning thirst I can't stop me like
Summer (Na, na, na)
Just dash (Na, na, na)
Scorching sun show me the way
My compass please don't leave me now
Summer (Na, na, na)
Just dash (Na, na, na)

Oh-oh-oh, oh-oh-oh, oh-oh-oh
Oh-oh-oh, oh-oh
Even if it's not the answer
Oh-oh-oh, oh-oh
Even if it's not the answer
