Ooh, oh-ah
Ooh

Too close
Really dangerous distance
You so bad, I gotta move back
Too greedy, I'm so into you (You-ooh)

Losing reason like a monster
Poker face, but there's a rollercoaster behind it

Overwhelming feeling
Three-six-five, I need you, ayy
Pretty smile, your innocent eyes (Ah, ooh)
Your sweet scent, that's a hat trick
Reason flies far away

Ooh, my two eyes, even if I close them
My suppressed instincts (come in)
Reach the limit

Too close
A distance that's too dangerous
You so bad, I gotta move back
I'm so greedy, I'm so into you
Too close
A distance that melts all my nerves
Your breath touches my skin
I'm dizzy, I'm so into you

You hold me in your clear eyes
You say it's useless to look away
The more I do, the more
My patience disappears

Ooh, you calmly stimulate me
My dormant desires (come in)
Seem to wake up

Too close
Really dangerous distance (Ooh)
You so bad, I gotta move back (Oh)
I'm so greedy, I'm so into you
Too close
A distance that melts all my nerves (Ooh)
Your breath touching my skin (Oh)
I'm dizzy, I'm so into you

(Ooh)
Baby, I can't help it
Too close
All my senses are directed toward you
In fact, I want you more than you
I can't hold it in anymore, I'm so into you
