A midsummer night's dream
Addicted to the summer nights

I'm sliding through the darkness and running towards it
Summer night, we're riding abroad
Up, up, up, up, we dream on
If you come here, up the street
Fancy car, a big house
Even the scent seems to have changed
You welcome us like a dream
Let's have some fun some fun

Uptown girls are smiling
The swaying light
You invite me softly
The sky's river view
I feel like I'm going to reach it
A dream, on a dream I ride

A dizzy du-ru-ru-ru-ru-ru-ru
Upper side dreamin' yeah
It makes me fly
Tell them to leave their dreams here
Again, du-ru-ru-ru-ru-ru-ru
Imagine clearly
Aye dreams become a reality
I'm sure they'll be waiting for me

A midsummer night's dream (Summer night, summer night)
My dream (Summer night)
A midsummer night's dream (Summer night, summer night)
My dream (Summer night)
A midsummer night's dream

I feel like I'm on TV
Everything's so fancy
Everyone
Act natural, smile
I'm just jealous of everything
It's awkward, but for some reason
I think I found a place to stay
Ha ha ha ha

Under the rooftop light
Cheerful champagne glasses
In the boundaries that are getting dreamy
In this sweet scenery
I think it's mixed up
A dream, on a dream I ride

A dizzy du-ru-ru-ru-ru-ru-ru
Upper side dreamin' yeah
It makes me fly
Tell them to leave their dreams here
Again, du-ru-ru-ru-ru-ru-ru
Imagine clearly
Aye dreams become a reality
I'm sure they'll be waiting for me

A midsummer night's dream (Summer night, summer night)
My dream (Summer night)
A midsummer night's dream (Summer night, summer night)
My dream (Summer night)
A midsummer night's dream

Just in case it disappears
Just in case it disappears
Just in case it disappears
Just in case, just in case
Just in case it disappears

A dizzy du-ru-ru-ru-ru-ru-ru
Upper side dreamin' yeah
It makes me fly

Tell them to leave their dreams here
Again, du-ru-ru-ru-ru-ru-ru

Aye dreams become a reality
I'm sure they'll be waiting for me
