

Green Light

Enisa

Give me that green light, green light
Give me that green light, green light
Give me that green light, green light
Na-na-na-na, na-na-na-na

Underneath the dancing lights
That's how you make your way to me
Kiss, I kiss, just you and I
When your eyes are on me
It's like a diamonds needs a girl
Is how you I need you up on me
So baby, come and dance with me
Dance with me tonight

One touch, want it all here right now
My dance flow in front of this crowd
I don't wanna stop, no
Na-na-na-na, na-na-na-na
You, I'ma let you go alive
You can have it all, no doubt
You can have it all, boy
Na-na-na, na-na

You got that green light, come my way
Side to side, boy, make me sway
Show me somethin', boy, don't make me wait
Na-na-na-na, na-na-na-na
Green light, come my way
Side to side, boy, make me sway
Show me somethin', boy, don't make me wait
Na-na-na-na, na-na-na-na

Give me that green light, green light
Give me that green light, green light
Give me that green light, green light
Na-na-na-na, na-na-na-na

You're keepin' me in ecstasy
Never lettin' me come down
All these feelings when you're next to me
Hittin' all at the same time now
It's like a heart that needs a beat
Will you give more light to me?
So baby, come and dance with me
Dance with me tonight

One touch, want it all here right now
My dance flow in front of this crowd
You can have it all, boy
Na-na-na, na-na

You got that green light, come my way
Side to side, boy, make me sway
Show me somethin', boy, don't make me wait
Na-na-na-na, na-na-na-na
Green light, come my way
Side to side, boy, make me sway

Show me somethin', boy, don't make me wait
Na-na-na-na, na-na-na-na

Give me that green light, green light
Give me that green light, green light
Give me that green light, green light
Na-na-na-na, na-na-na-na
Give me that green light, green light
Give me that green light, green light
Give me that green light, green light
Na-na-na-na, na-na-na-na

You the one, you the one, you the one
Hit my heart like a drum, drum, drum
You the one, you the one
So show me somethin', boy, you know

You got that green light, come my way
Side to side, boy, make me sway
Show me somethin', boy, don't make me wait
Na-na-na-na, na-na-na-na
Green light, come my way
Side to side, boy, make me sway
Show me somethin', boy, don't make me wait
Na-na-na-na, na-na-na-na

Give me that green light, green light
Give me that green light, green light
Give me that green light, green light
Na-na-na-na, na-na-na-na
Give me that green light, green light
Give me that green light, green light
Give me that green light, green light
Na-na-na-na, na-na-na-na
