I got them singin' like Karaoke
They follow me when I do-re-mi
Every note, they be on their knees
I got them hooked on my melody like
Dum-dum-da-da-dum, karaoke
They follow me when I do-re-mi
Every note, they be on their knees
I got them hooked on my melody

Dum-dum-da-da-dum, karaoke
Dum-dum-da-da-dum, karaoke
Dum-dum-da-da-dum, karaoke
Dum-dum-da-da-dum, karaoke
I got them hooked on my melody

Like a puppet on a string
I got 'em doin' everything
Livin' in their head rent free
I got 'em marchin' to the beat
Yeah, all the boys they follow me
Like a pied piper
Linin' up like one-two-three
Show me that diamond

So when it drops, keep it up
To my tempo
They wanna taste, wanna touch
I'm the queen of this club

I got them singin' like Karaoke
They follow me when I do-re-mi
Every note, they be on their knees
I got them hooked on my melody like
Dum-dum-da-da-dum, karaoke
They follow me when I do-re-mi
Every note, they be on their knees
I got them hooked on my melody like

Dum-dum-da-da-dum, karaoke
Dum-dum-da-da-dum, karaoke

Burnin' every pick up line
Know they want their lips on mine
The way I move my hips in time
Love it when they're hypnotized
Yeah, all the boys they follow me
Like a pied piper
Lining up like one-two-three
For a piece of this pie, yeah

So when it drops, keep it up
To my tempo
They wanna taste, wanna touch
I'm the queen of this club

I got them singin' like Karaoke
They follow me when I do-re-mi

Every note, they be on their knees
I got them hooked on my melody like
Dum-dum-da-da-dum, karaoke
They follow me when I do-re-mi
Every note, they be on their knees
I got them hooked on my melody like

Dum-dum-da-da-dum, karaoke
Dum-dum-da-da-dum, karaoke
Dum-dum-da-da-dum, karaoke
Dum-dum-da-da-dum, karaoke
I got them hooked on my melody
