City, big city  
Been working for hours, ain't paying off  
In it, I am in it  
Yeah, na na, na na na  
Spinning, keep spinning  
Through the good and the bad, the light and the dark  
Living, keep living  
Yeah, na na, na na na

Troubles  
Forget my troubles for today  
Ain't no problem  
Ain't no problem I can't take  
Never running  
When I'm near the edge  
I might get close  
But I won't fall, no way

Ay, gonna be alright  
Everything will be okay  
Ay ay ay, ay  
I'mma win this life  
I don't know what get in my way  
But that don't bother me, bother me, bother me  
I'mma be blessed anyway  
Ay ay ay, ay  
Gonna be alright  
Follow what I say

Ole  
Ole, ole ole ole ole ole  
Ole, ole ole ole ole ole  
Ole, ole ole ole ole ole  
Gonna be alright  
Everything will be okay, ole

Winning, I'm winning  
Day ones by my side, feeling the love  
Spirit, I'm high in it  
Yeah, na na, na na na  
Give it, I give it  
Don't chill when I'm on, get what I want  
Bring it, I'mma bring it  
Yeah, na na, na na na

Troubles  
Forget my troubles for today  
Ain't no problem  
Ain't no problem I can't take  
Never running  
When I'm near the edge  
I might get close  
But I won't fall, no way

Ay, gonna be alright  
Everything will be okay  
Ay ay ay, ay

I'mma win this life  
I don't know what get in my way  
But that don't bother me, bother me, bother me  
I'mma be blessed anyway  
Ay ay ay, ay  
Gonna be alright  
Follow what I say

Ole  
Ole, ole ole ole ole ole  
Ole, ole ole ole ole ole  
Ole, ole ole ole ole ole  
Gonna be alright  
Everything will be okay, ole
