

Wait For Love

Enisa

Oh, I don't need another man to tell me that I am beautiful
Honestly I'm good and really I have got it under control
I get you think you know what I need but I know that I don't need you
I'm not tryna be mean
But I gotta say

No, baby I don't want your comfort
No, I don't wanna talk to you on the phone
Yeah, I been sleeping fine alone, oh oh oh
No, I don't want a one day lover
No, tryna say that I don't need a you
I don't need your body for my soul, oh oh oh

I will wait for love
It'll wait for me, will wait for love
Will wait for
I will wait for love
It'll wait for me, will wait for love
Will wait for

I can wait for my love
I don't need you to wait for my love, oh
I can wait for my love
I don't need you to wait for my luh-oh-uh-ve
I can wait for my love
I don't need you to wait for my love, oh
I can wait for my love
I don't need you to wait for my luh-oh-uh-ve

Oh, I'm tired of people saying I should find somebody while I am young
I don't need to look for something that I know is just gonna come
I get you think you know what I need but I know I don't need someone
I'm not tryna be seen
So I gotta say

No, baby I don't want your comfort
No, I don't wanna talk to you on the phone
Yeah I been sleeping fine alone, oh oh oh
No, I don't want a one day lover
No, tryna say that I don't need a you
I don't need your body for my soul, oh oh oh

I will wait for love
It'll wait for me, will wait for love
Will wait for
I will wait for love
It'll wait for me, will wait for love
Will wait for

I can wait for my love
I don't need you to wait for my love, oh
I can wait for my love
I don't need you to wait for my luh-oh-uh-ve
I can wait for my love
I don't need you to wait for my love, oh
I can wait for my love
I don't need you to wait for my luh-oh-uh-ve
