

Champagne Problems

ENNY

So many who what whys and when's
iPhone notes or a biro pen
Dark skin darling brown skin friends
Peng Blacks Girls that's the patent pending push that all my incentive in
Recoup all my investments win on rocks
That's how I like my gin
Priceless just got them gems from Simz
There's a war going on in my mental
Emotions gentle spiritual healing
Would be smart to invest in time away
But this Prada bags so appealing
Yeah retail therapies healing
Well bank balance gone keep me in check
Certain man love hailing me up
Cause they say "yo we like you don't rap about sex"
Hm what's that supposed to mean to me
If the basis of hip hops Misogyny
Cause I grew up on Kim and Fela
But if rap about pussy I'm a sell out
I ain't got a potion I ain't gotta code switch
White folk love me like they love my culture
Any genre get up on it I'm a vulture
Flip it wrap it give to you love it cause its wholesome
Flip it rewind give it back this a vibe
11 hour flight
There for the night
There for the week then
I ain't got to pretend
Stop all the he she said
I said pray for increase and peace of mindset
I want new weave world peace and flights
I might admit it's taking time
So I took a break from drinking wine
Yeah
Uh
Then got right back at it
Gulps and swigs like I've got a tick
Personal preference trying a ting

Champagne I like
Conservative far right
Fuck government I'm tired
Guy Fawkes with it I'll

Champagne spilling got me chasing these problems
I got minutes spend time if I want 'em
Life's got me trippin off the face like I wanted
Can't stop sipping from these champagne problems
