

## Bonedancer

## Enochian Crescent

The Shattering sky and Soaring Blackness  
Torn by the wind, my eyesight Fails

Centennial Blood-Feud, The Craft of War  
Transcend even Death itself

Cut Down the humble, Cut Down the meek  
Cut Down the pious, Bonedancer

Kingdom Come  
A Kingdom Done

Unchain The Daemons, Let Slip The Ungodly Host  
By Ealden Magick, The Runes of Power  
Teeth of Cunning Bow and Sharp Sword  
An old opponent, I seek your wyrd

Cut Down the humble, Cut Down the meek  
Cut Down the pious, Bonedancer

LET THE HARVEST BEGIN!

The Shattering sky and Soaring Blackness  
Torn by the wind, my eyesight Fails

Phobos and Deimos, Terror and Fear  
My Wicked mistresses, Uncleanly love

Cut Down the humble, Cut Down the meek  
Cut Down the pious, Bonedancer

Kingdom Come  
A Kingdom Done
