

Golgotha

Enochian Crescent

Golgotha,
We'll do necromantia
Knock down a stone or two
And dance with the rotten jew

I'm going to get you
I'm going to break you
I'm going to get you
I'm going to make you
MINE!

My spell of Reaping
I'll inhale jesus christ
With ruined voice I cry

GO GO GOLGOTHA

Nazarene,
Your bones are glowing clean
You and I are wed as one
See kingdom come, come undone

I'm going to get you
I'm going to break you
I'm going to get you
I'm going to make you
MINE!

My spell of Reaping
I'll inhale jesus christ
With ruined voice I cry
Fuck your god and die

GO GO GOLGOTHA
