

DUELE EL CORAZON

Enrique Iglesias

Tinashe, Enrique
(One love, one love)

I know that you want me, so why'd you turn away?
Think of the perfect sex you and I can make
You tell me you're a good girl, baby I don't mind
Porque se que sueñas con poderme ver
Mujer que vas a hacer
Decídete pa' ver
Si te quedas o te vas
Si no, no me busques más

Si te vas, you know I'm gonna go
Si me das, I'll take you on the low
Mi Amor, bailamos hasta la diez
Hasta que duelan los pies
Si te vas, you know I'm gonna go
Si me das, I'll take you on the low
Mi Amor, I want you all to myself
I'll love you like no one else

Con el te duele el corazón
Y conmigo te duelen los pies
Con el te duele el corazón
Y conmigo te duelen los pies

In the night I wake up, wonder where you are
Thinking about your touch, dreamin' in the dark
He don't take me dancin', not the way you do
I'm out of my mind for you, cause you're in my head
In every drop of sweat you know I can't forget
I want you when I'm alone, I guess it's time to let you know

Si te vas, you know I'm gonna go
Si me das, I'll take you on the low
Mi Amor, I want you all to myself
I'll love you like no one else
Si te vas, you know I'm gonna go
Si me das, I'll take you on the low
Mi Amor, bailamos hasta la diez
Hasta que duelan los pies

Con el te duele el corazón
Y conmigo te duelen los pies
Con el te duele el corazón
Y conmigo te duelen los pies

Girl don't even think about it, you'll never find another like me
No comparison to a brother like me
The situation with you and your man, min uh care
You can't find a lover like me
Listen to I man, visit the island
Satisfaction you want, girl, you'll get it from a yard man
So a me you fi call on, gi you the real blueprint
This a nuh carbon

Si te vas, you know I'm gonna go

Si me das, I'll take you on the low
Mi Amor, bailamos hasta la diez
Hasta que duelan los pies
Si te vas, you know I'm gonna go
Si me das, I'll take you on the low
Mi Amor, I want you all to myself
I'll love you like no one else

Con el te duele el corazón
Y conmigo te duelen los pies
Con el te duele el corazón
Y conmigo te duelen los pies

I know that you want me, so why'd you turn away?
Think of the perfect sex you and I can make
