Little girl

Hsus2 C#sus2

kisses her mom

Hsus2 C#sus2

Tells her I love you

Esmi

Holds on to her neck

Little girl doesn't have much

She walks with a smile

she's so full of life

Hsus2

But she cries in the night

F#

Just to try to hold on

C#sus2

No one can hear her

Asmi

She's all alone

Hsus2

F#

This little girl closes her eyes

C#sus2

all that she wants

Hsus2 C#sus2

is someone to love

Hsus2 C#sus2

Someone to love

Little girl

She's all grown up

Oh she's getting fevers

she's a big star

Little girl

Fights with her mom

Can't believe money

Changed who she loved

And she cries in the night

Just to try to hold on

But no one can hear her

She's all alone

This little girl closes her eyes

all that she wants

is someone to love oh yea

Someone to love oh yea

She cries in the night

Just to try to hold on

No one can hear her
She's all alone

This little girl closes her eyes
all that she wants
is someone to love (someone)
Someone to love (someone)
To love (someone)
To love (someone)
Someone (fade out)
