

The Way You Touch Me

Enrique Iglesias

Touch me

It's the way we touch,

Oh feel it, oh feel it,

I was alone, waiting with my fantasies
Until you came, liberated me,
And taught me so much about humanity ,
Yeah-e yeah-e-yeah,

I needed you to know
You're more than just a one night stand,
And girl with your permission,
Maybe you can give me your hand,
Not your romance

Coz it's the way you touch me baby,
Oh it's the way you touch me baby,
If you want we can talk, all night long,
But it's the way you touch me baby,

I was alone, grasping for my sanity,
You beauty came free of vanity,
Opened my mind, gave me your anatomy,
Yeah - e - yeah - e - yeah

I needed you to know,
Your more than just a one night stand,
I need some supervision,
I'm losing all control of my hands,
In your command

Come on baby, oh oh yeah
Oh baby

You should really know you've got me eating from your hand,
And the ship is gonna blow,
And baby it's not gonna end,
Till your coming,

It's the way you touch

It's the way we touch
It's the way we touch

Oh feel it
Oh oh yeah
Oh feel it
Oh oh yeah
