

Midsummer Magic

Ensiferum

Once again
It's that time of the year
When we gather to feast
And praise the thunder God
With a humble offering

Behold, our sun is still in the sky
Tonight, no one sleeps
Engulf the bonfires

Carouse and sing
We're living the dream
Living the dream

Lakes and fields
Will of the wisps
Ancient rites
On midsummer night

Lust and fire
Raise your pints
Magic thrives
On midsummer night

Huh! Hah! Hey!
Take a peek in the lake
See your bride or groom
Run naked in the fields
Under the bright summer moon

May your crop be fine
May you dwell in love
May your hangover be gone
Before winter comes

Carouse and sing
We're living the dream
Living the dream

Raikka ja tulvii rakas isänmaa
