

# Malignant Midwinter Murders

**Enslavement of Beauty**

Lyrics: O.A.Myrholt

Music: T.E.Tunheim

The artifice virginal air became the odour of sinful obsession  
we subsequently trespassed the boundaries of apt behaviour  
A midwinter night's gleam, almost bereaved of sympathy  
we drank from all those feeble hearts, we were the masters of d  
eceit

Bohemian soulmates in violent rapture, way beyond the mortal su  
rface

The temptress and Mr Misery, a twosome of uninhibited gracedays  
we traduced the world with a touch of havoc; fuck everything  
She painted the drifting cupid and crowned me; the tranquil kin

I recall the glorious days of our malignant midwinter murders  
Oh, how benignly malignant we were...

I recall the fragrance of our malignant midwinter murders  
Reh rebmemer syawla lliw I...

Bohemian soulmates in violent rapture, way beyond the mortal su  
rface

The temptress and me, a twosome of uninhibited gracedays  
we traduced the world with a touch of havoc; fuck everything  
She painted the drifting cupid and crowned me; the tranquil kin
