

Stop The Clocks

Enter Shikari

Stop the clocks
Stop the clocks, I'm killing time
I don't ever want this to end
And you say "that makes two of us"

There's a cinema in me
It plays counterfeit scenes
All my worries and blunders
And you say "that makes two of us"

Where's this present you speak of?
Where's this heavenly bliss?
I'm so sick of time travel
And you say "that makes two of us"

And all your life, you just exist
And all your life, it's moments missed
And all the time, you wait in line
What you'll find

Well that makes two of us

Stop the clocks
Stop the clocks, I'm killing time
I don't ever want this to end
And you say "that makes two of us"

Stop the clocks
Stop the clocks, I'm killing time
I don't ever want this to end
And you say "that makes two of us"

Drifting, my life is on hold now
Give me coordinates please
I look for a safe harbour
And you say "that makes two of us"

There's a cinema in me
It plays counterfeit scenes
All my worries and blunders
And you say "that makes two of us"

And all your life, you just exist
And all your life, it's moments missed
And all the time, you wait in line
What you'll find

Well that makes two of us

Stop the clocks
Stop the clocks, I'm killing time
I don't ever want this to end
And you say "that makes two of us"

Stop the clocks
Stop the clocks, I'm killing time
I don't ever want this to end

And you say "that makes two of us"

Stop the clocks

Stop the clocks, I'm killing time

I don't ever want this to end

And you say "that makes two of us"
