

There's a Price On Your Head

Enter Shikari

I am upper class
I - I am upper class
Upper middle lower class

I am lower class
I - I am lower class
Lower upper middle class

I am upper middle class; I am living in the past

Yeah! There's a price on your head
Unknown to you
There's a price on your
Unknown to you
There's a price on your head
There's a price on your head
Unknown to you
There's a price on your
Unknown to you
There's a price on your (head, head, head, head)

I am lower class
I - I am lower class
Upper middle lower class

I am upper class
I - I am upper class
Lower upper middle class

I am lower class
I - I am lower class
Upper middle lower class

I am upper lower class; I am living in the past

Yeah! There's a price on your head
Unknown to you
There's a price on your
Unknown to you
There's a price on your head
There's a price on your head
Unknown to you
There's a price on your
Unknown to you
There's a price on your (head, head, head, head)

(Get over it!)

There's a fucking price on your head
