

Infernal Suffering

Enterprise Earth

I'm standing face to face with the
Demons that have haunted me for so long
In the darkest corners of my mind
It's difficult to stay strong

I've fallen far from grace
Bleeding on the altar of my own disgrace
Just to live one day without pain
Even God can't wash away these stains

I'm a broken man
Despite the pain
I'll make my stand

It will never stop and neither will I
I'll bear this burden until I die

This life is all that I have left
As long as my lungs are full of breath

I wear a mask to hide the pain
Diluting the poison in my veins

The infernal suffering
Purge the blood from my hands

This is my offering
This is where it all ends

I've been searching for strength to carry on
But I possessed it all along

The road has been hard but I can't give up
I can't give up

One life to live
Once chance to prove my demons wrong

The road has been hard but I can't give up
I can't give up

Arise
Your life is but a moment in endless time

Arise
The meaning to life you seek is knowledge you'll never find

I can't give up
I'm a broken man
Despite the pain
I'll make my stand

It will never stop and neither will I
I'll bear this burden until I die

I can't give up
I'm a broken man

Despite the pain
I'll make my stand

It will never stop and neither will I
I'll bear this burden until I die

One life to live
One chance to prove them all wrong

One life to live
One chance to prove them all wrong
