

Year One Now

Entombed

Take out the failures
Erase the existence
Break down the values
Break down the system

No, can't co-exist
It's year one now
No, can't co-exist
It's year one now

Sadistic solutions to mankind's abortion
Wipe out the traces of historic creations

No, can't co-exist
It's year one now
No, can't co-exist
It's year one now

Die die die die
Kill kill kill kill
Die die die die
Kill kill kill kill
