

## For Hell

### Entrails

In life - A killer and a fiend  
Wrath - Hatred filled you to the brim  
Damned - Death will lead the way  
Yours sins will all be squared  
You better be prepared

For hell  
Sent to the fiery lake  
Damnation in your wake  
For hell  
Beyond the devils gate  
Eternity awaits

Behold - The pits of misery  
blight - Forever sick, forever bleed  
Decay - You'll wither and corrode  
Your body decomposed  
Your soul has been disposed

For hell  
Sent to the fiery lake  
Damnation in your wake  
For hell  
Beyond the devils gate  
Eternity awaits

Burn - Fire burns your flesh  
Skinned - Feel the knife slice through your hide  
Torment - Excruciating pain  
Yours sins will not be squared  
You cannot be prepared

For hell  
Sent to the fiery lake  
Damnation in your wake  
For hell  
Beyond the devils gate  
Eternity awaits
