

# Adrenalize

Entwine

Following in  
Thru the eye  
Of disaster

We're lay in the time  
That is long on  
In the end  
I've enjoyed  
We go faster  
Before the call  
I've tried keeping

Adrenalize, adrenalize  
Don't keep awating for the fall  
Adrenalize, adrenalize  
Uhu uhu  
Adrenalize, adrenalize  
Don't keep awating for the fall  
Adrenalize, will keeping it

Never stop  
This no time to go faster  
In the end  
This no time to rise in fall  
Move is on  
And watching  
The disaster  
Before the storm  
I'm trying keeping

Adrenalize, adrenalize  
Don't keep awating for the fall  
Adrenalize, adrenalize  
Uhu uhu  
Adrenalize, adrenalize  
Don't keep awating for the fall  
Adrenalize, I'm trying keeping it

I am a monster, and  
I am failed  
I am finding my way  
I love this miss

Adrenalize, adrenalize  
Don't keep awating for the fall  
Adrenalize, adrenalize  
Uhu uhu  
Adrenalize, adrenalize  
Don't keep awating for the fall  
Adrenalize, move! Try to the rise!
