

Baby You're the Greatest

Enuff Z'Nuff

Baby You're The Greatest I know it's Monday,
After the weekend,
But could you still come out to play?
It happened one day,
We got to be friends,
And I was gladly blown away.
Oh, lately I've been holding out
For something really cool,
And then I get the nerve
To finally say hello and I play the fool.
But baby
Could you warm me
So I could
Melt away?
Baby all I really wanna hear
You say is "I love you."
Lately I just wanna cuddle
In your arms and not be blue.
Baby all I really wanna hear
You say is "I love you."
Baby you're the greatest
And I'll never let you go.

I knew that somewhere
Over the rainbow,
There would be something left for me.
I'm really out there,
But not insane, no,
Exactly where I love to be.
Have you ever had a secret
That you couldn't keep?
My mind is in a whirl,
My heart is in a flutter,
Can't get to sleep.
Oh baby
Could you hold me
And tell me
I'm the one?

I feel so Monday
After the weekend.
No sense pretending I'm okay.
I knew that one day
I'd find the deep end
And I would jump right in and play.
Oh, lately I've been checkin' around
For something really cool,
And then I get the nerve
To finally say hello and I play the fool.
But baby
If you warm me
Then I could
Melt away.

I said I don't care,
And I don't know.
'Cause what you did

To make me love you so.
Baby you're the greatest
And I'll never let you go.
I'll never let you go, yeah.
You're the greatest, and I love 'ya.
