

## What Can I Do?

Enuff Z'Nuff

What Can I Do? What could I do to make you cry?  
What could I do to make you cry?  
What could I do to devastate your heart?  
Or, what could I do to win your love?  
I've been staring at the sun,  
Cuz it's the only thing I know  
That's still warm and bright.  
I should be wailing at the moon,  
Cuz I've been kicked out like a dog.  
All cold and alone at night.  
Who would have ever thought I'd lose you?  
It's something that you made up in your mind.  
I've got your better years  
Cuz lately you're no prize.  
Why look for love right here?  
There's nothing in your eyes.

I've been drinking you away.  
Oh I'm drowning in a vodka & lemonade.  
And about a million times a day,  
I still think about you baby,  
And that's why I'm so afraid,  
You were just looking for a reason,  
To go away and be with someone else.  
The devil's advocate is grinning once again.  
I hope the road you take  
Don't lead you to your end.

What could I do to make you cry?  
What could I do to make you cry?  
What could I do to make you feel my pain?  
Or, what could I do to win your love?

The parasite is gonna use you,  
And what he don't use up he'll throw away.  
So showe your tarot cards  
Where nothing ever shines.  
Let's hope this floppy disc  
Holds up to my hard drive.

What could I do to make you cry?  
What could I do to make you cry?  
How do I win the key into your heart?  
Or, what could I do to win your love?
