

I Want Tomorrow

Enya

Ami **Emi/G**

Dawn breaks;

F **G**

there is blue in the sky.

Ami **Emi/G**

Your face

F **G** **Ami Emi/G**

before me though I don't know why.

F **G** **G Ami**

Thoughts disappearing like tears from the moon.

Waiting here;

as I sit by the stone

They came

before me, those men from the sun.

Signs from the heavens say I am the one.

A **E/As** **F#mi**

Now you're here I can see your light,

A/E **D A** **D E**

this light that I must follow,

A **E/As** **F#mi** **A/E**

You - you may take my life away

D **E**

- so far away.

A **E/As** **F#mi**

Now I know I must leave your spell

A/E **D E**

- I want tomorrow.
