with vassels and serfs at my side,

and of all who assembled within those walls

that I was the hope and the pride.

that you loved me still the same,

that you loved me, you loved me still the same.

2. I dreamt that suitors sought my hand,

that knights upon bended knee

and with vows no maidens heart could withstand,

they pledged their faith to me.

And I dreamt that one of that noble host

came forth my hand to claim.

R: But I also dreamt which charmed me most

that you loved me still the same,

that you loved me, you loved me still the same,

that you loved me, you loved me still the same.
