

Silent Screams

Eowyn

Broken ties
She was gasping for her life
Pushing past her jaded mind
She's calling for help

One more try
Slipping fast she held on tight
This tradition caused for fight
She's calling for help

With Silent Screams cried out
Will we reach them now?
It's time to scream out loud
Will we hear them now?

Open eyed
She now sees the other side
Grass is greener but it dies
She's calling (calling for help)

Now alive
She's now fading
Scared to fight
Losing Faith she longs to try
She's calling for help

With Silent Screams cried out
Will we reach them now?
It's time to scream out loud
Will we hear them now?

(Rob Beckly)
Wake up to the sound of Silent Screams
Will we let it cost them everything?
How far down will we let them fall before we pick them back up off the dirt
Don't fear the other way
You're faced with a remedy
The sound of your heart beating is much louder than thoes lies

With Silent Screams cried out
Will we reach them now?
It's time to scream out loud
Will we hear them now?

With Silent Screams cried out
Will we reach them now?
It's time to scream out loud
Will we hear them?

(Note: It may not sound exactly like "...pick them back up off the dirt" but that IS what he says. I had to go and listen to one of their live shows in order to fully make out that part and I listened to it over and over untill I was confident that is what he said. This is not an absolute guarantee and you will most likely have to get ahold of Eowyn to know for absolute sure. So untill then, I am pretty confident that is what he says. Plus, keep in mind that they don't always pronounce all the words exactly right.)
