

The Music Box

Eowyn

The music box begins to play
Reminisce of you
A distant dream
Oh so casually
The riff begin
Weeks then months
There seemed to be no end
But wasted time oh so much time to say
It's not too late

Turn your heart this way and love me
Love me
Please don't turn away
Just love me
Love me

The music box continues play
I dream of better days
Better than these
Joyful memories
I can't escape
Is this my fate
I can't undo
Forgiveness please
Right now I'm trying to say
It's not too late

Turn your heart this way and love me
Love me
Please don't turn away
Just love me
Love me

Turn my heart I pray
And love me
Love me
Please don't turn away
And love me
Love...
