My girl  
Will you be my, will you be my girl?

Yeah, yeah

So blind when our eyes met  
Losing all my power, I almost tripped in front of you  
It's like I became a puppy for a month  
My heart chases after you, woah  
My missing tail is wiggling  
Or my feet up in the air just about 1 cm  
My heart trotting after you again  
It's unstoppable

Shaking like crazy (Shaking)  
My heart aches because of you  
You're perfect shining (Shining)  
I've been waiting for you, but then again I  
So hard, can't open my mouth  
When you look at me, I can't even breathe  
Mumble, murmur, I don't know what I'm saying  
But I'm quite desperate for sure, I think I fall in love (fall in love)

Would you be my baby? (My girl)  
You're my number one (My girl)  
Would you be my lady?  
Would you be my, would you be my girl (My girl)  
My heart is fluttering again (My girl)  
Can you see my love? (My girl)  
You make me so crazy  
Would you be my, would you be my girl? (My girl)

My girl (Oh, woah, my girl)  
Would you be my, would you be my girl?

(Beep) Becomes frozen (Oh-oh)  
Just like a toy with an unwinded spring  
My heart is fully booked by you (Okay)  
No room for clumsiness, gotta practice more  
The story started right when I first saw you, that day  
I'll confess today  
My day starts and ends with you

Far away (Away)  
I see you like a star  
It's perfect timing (Timing)  
I've been waiting for today (I've been waiting, oh-woah)  
Say hi, just this one word  
It won't come out after endless practice, let me die (Let me die)  
Again, I've been hesitating like a fool  
Boom, I'm broken in front of you (Oh, woah)

Would you be my baby? (My girl)  
You're my number one (My girl)  
Would you be my lady?  
Would you be my, would you be my girl (My girl)  
My heart is fluttering again (My girl)  
Can you see my love? (My girl)  
You make me so crazy  
Would you be my, would you be my girl?

My feelings are getting bigger every day  
No kidding, I'm serious, really, woah  
No more smiles (Oh, my) Making clear eye contact (Eye contact)  
Just nod, will you be mine?

Be my girl (My girl)  
My girl  
My girl  
Would you be my, would you be my girl?  
My girl  
My girl (Be my, be my girl)  
My girl  
Will you be my, will you be my girl?
