

# Seal of Solomon

Epica

Disclose the spirit of Saturn  
Right under the sun  
The seal of Solomon  
Observe the cryptic hexagram  
The key to reveal  
Your Solomon seal

Be the one to feel  
Pierce the sphere  
Dissolve your fear  
Be the one to heal  
Find your seal

We tear membranes all apart to see  
Be the one to see  
Search for more  
To reach your core  
Be the one to hear  
Seek through me

We wear the mystics of the heart

Disclose the spirit of Saturn  
Right under the sun  
The seal of Solomon  
Observe the cryptic hexagram  
The key to reveal  
Your Solomon seal

Be the one to rise  
Burn the lies  
And cut the ties  
Be the one to see  
Turn the key

We tear membranes all apart

Disclose the spirit of Saturn  
Right under the sun  
The seal of Solomon  
Observe the cryptic hexagram  
The key to maintain  
Solomon's domain

Creation of balance in life  
Align all your chakras  
Converge to regeneration

Will we transform into higher consciousness  
For our time is coming  
Can we create the envisioned harmony  
For our final victory

Disclose the spirit of Saturn  
Right under the sun  
The seal of Solomon  
Observe the cryptic hexagram

The key to maintain  
Solomon's domain

Creation of balance in life  
Align all your chakras  
Converge to regeneration
