They took everything from me.  
They stole the ground beneath my feet.  
They left me high and dry.  
To sell a fuckin' lie.  
I lost. I lost one.  
They took everything from me.  
They stole the ground beneath my feet.  
Left me to die.  
It's all right.  
I never bought the lie.  
I lost...
