

## With You

Epik High

Oh... Baby Zhou.. Epik High.. Baby.. Hey..

Even though I'm right here waiting you never look my way.  
Boy, you don't even know my name.  
Where you go, I follow.  
My life is a shadow.  
I just wanna be close to you.  
Even though I'm right behind you, you never turn my way.  
It breaks my heart but it's okay.  
I'm here close to you.  
But I know I will never be  
With you, with you, with you...
