Its so hard to say goodbye, to yesterday
Its so hard to say goodbye, to yesterday

Let the DJ tonight save your life
Like a ray of light, create insight day and night
Every page I write, you I payed the price
So my fate is bright, slay the mic
Fight for the right of way through the way of right

That's right soomaneun ddam sheeryeone salm noonmoore kang
Eereokamee teo manattdeon sheegane mootdeon keelmoone tap (nae haetap)
Everything's gonna be alright
I'm okay, keen pam jeeky'eonae my life
Its so hard to say goodbye, to yesterday
