

Final Tear

Equilibrium

A sky of poison
Is falling down
The black horizon
Presents its crown

Thunder and storm
Are talking to you
There's no turning back
And no getting through

You cannot deny
The end is near
Get ready to wipe
Your final tear away

Infernal fire
Across the land
The guard of balance
Declines your hand

You didn't see the warnings
Of Mother Earth
Now you will get in return
What you deserve

Thunder and storm
Are talking to you
There's no turning back
And no getting through

You cannot deny
The end is near
Get ready to wipe
Your final tear away

"You have ignored us in the past
And you will ignore us again
We have run out of excuses
And we are running out of time
We have come here
To let you know that change is coming
Whether you like it or not
The real power belongs to the people."

Thunder and storm
Are talking to you
There's no turning back
And no getting through

You cannot deny
The end is near
Get ready to wipe
Your final tear away

Thunder and storm
Are talking to you
There's no turning back

And no getting through
